Thank you to Janette Willman for getting the sound system back to working order along; it did save us from purchasing a new unit.

Carol Ballard: announced that a gentleman, Tim Bomer, saw us on the website and he was moving his mother, Shirley Bomer into an assisted living home. Because of this they were donating various supplies to our Guild. Items are on a free table to take.

Committee Reports:

Meet a member, presented by Carol Ballard

Linda Kilen who lives in Ft. Seneca. Her household consists of just herself. She has been sewing and quilting for 65 years. Something new that I would like to learn is to be continued.

Nancy Frederick lives in Tiffin. Her household consists of herself. She has been sewing and quilting for 60 years. Something new that she would like to learn is anything and everything. She joined our Guild for new ideas as she saw us at the fair. What makes her unique is that she taught sewing with knits back in the day.

Program Kathy Haver: August speaker is Sandy from Elmore quilt shop "Pretty in Pink". September is Kim and Jenny with the travels to Amish Country.
