## OCTOBER, 2012

### Next Meeting: FRIDAY, October 12

Remember to mark your calendars for October 12 and 13 for Vikki Pignatelli. She will be lecturing and presenting a trunk show entitled “Nurturing Your Creative Spirit: Personal Traits That Inspire Great Quilts” at 7:00 Friday night instead of our regular Thursday meeting. Please invite your friends to attend as we still have tickets left for the lecture. Saturday Vikki will be teaching “Crazy about Curves.” She has some wonderful techniques that will have all of us sewing curves. For those taking her class on Saturday, you will need to bring one to two yards of Pelon **sew-in** regular lightweight or mid-weight stabilizer. Do not bring fusible or tear-away stabilizer. If you have any questions about tickets or the supply list please contact Dale Burnett for more information (419)841-2649 or daleburnett44@msn.com Batik for the fat quarter raffle.

**November 8:** Trunk show from Keepsake Quilting—top two winners from their challenge for the last ten years. Clothes drying racks and clips are needed for displaying the quilts. Let Jacquie Sharrer know if you can provide either or both.

## Book

Masters Art Quilts, Vol. 2. Major Works by Leading Artists. The book was curated by Martha Sielman and is available at the Wood County Public Library. This book is great. It is full of wonderful pictures of all varieties of art quilts.

## Reinvented Sewing Machine

Diane Giveins sent a link she found in Threads Magazine. It is a new concept sewing machine. The name of the machine is "Sue." Very interesting! The part I liked best was that the foot pedal can make the machine go forward or backward. No button to hold in.
