OCTOBER 2014

President's Message

Hard to believe it's Fall already. This year is just flying by! Time to cuddle up on the couch with a quilt and do some hand sewing. What are you working on? I am sewing applique blocks, and this year I will finally finish hand quilting my tumbling blocks. It's a 15 year project.

We have had some very generous donations lately of fabric for charity quilts. Some of this was distributed at work day, and some is stored with the St. V's group. If you are in need of a larger piece for backing fabric, please let me know. I will also be making some kits for baby and lap quilts to have available at the meetings. If you need to know quilt sizes for our various charity recipients, Carol Harper has a listing on the website. Thank you to Barb Wilhelm, Joanne Streacker, Diana Wittman and Diane Giveins, for generously offering to run for office this year! (Deb Tell and Carol Ballard will be continuing as members at large.)

100 Things Every Quilter Should Do Before She Dies

(These were shared by Carol Ballard; I will be sharing a few of these each month.)

1. Visit a quilt shop.
2. Make a nine patch.
3. Make a log cabin.
4. Label a quilt.
5. Figure yardage for a quilt.
6. Use a rotary cutter.
7. Learn about warp and weft.
8. Use templates.

Keep Quilting! Cindy
